

# Shandon News

**December  
2010**

## **Christmas Carol singing**

The annual evening of carol singing will take place on Wednesday 22<sup>nd</sup> December. Please come out and join in the fun. More details to follow from the Social Committee.

## **Summer street party**

This year's summer street party was another big success. The dinner was held on Shandon Drive, and residents agreed on the benefits of rotating this event in future between the various streets involved. Well done to the Social Committee for all their hard work.

## **Playground update**

Progress has been made on developing a playground area in Mount Bernard Park. In conjunction with the Dublin City Council Parks Department officer, a small group of residents has made a plan for new play areas and will start implementing this over the coming months.

## Phizzfest

The first Phizzfest was a tremendous success and received impressive support from local businesses, the Lord Mayor and residents in the area. If you are interested in getting involved in Phizzfest 2011, please contact the organisers via the Phizzfest website at <http://www.phizzfest.ie/contact.html>

## LAP monitoring committee

A Local Area Plan monitoring committee has been established on which the Shandon Residents' Association is represented. The Residents' Association will continue to represent the interests of the local community regarding improvements to the canal, the LUAS line, a Dublin Bike Station in Phibsborough and the Mater Children's Hospital.

Wishing everybody a peaceful and happy Christmas!
